(Benissa)

New Build project for sale in Benissa, Spain. A new and exclusive housing development located on the coast of Benissa. An estate in a unique natural enclave, with marvellous views to the ocean and the iconic Rock of Ifach close to the towns of Benissa, Calpe and Moraira. Set within the prestigious residential area of Racó de Galeno with views to the sea. Each villa has been designed specifically with it's own character, integrated into their surroundings and positioned to enjoy the maximum sea views. It is distributed all on one level this way turning it into a practical and functional house. From the welcoming hall and entrance you will find to the open plan living area, where we can find the stunning modern kitchen completely open to the very spacious living room, from where you can directly access to the sun terraces. Also on this level is the laundry at this side of the house. The master room which has an individual bathroom as well as a dressing room and the adjacent two bedrooms share the second bathroom. Also there is a guest toilet which is located adjacent to the entrance hall. Outside there is a beautiful private pool and landscaped Mediterranean gardens. This property could be suitable for someone with mobility disabilities. If you would like any more info or to arrange to view please just ask.[IW]
